Sir Subject Drainage scheme for the Belakavad Municipality

Adverting to Government Order No L 3282 5/Ml ,89-42-2 dated 24th September 1942 sanctioning the first stage of the drainage scheme in the Belakavad Municipality, I have the honour to state that instructions were issued to the President, Belakavad Municipality to credit the Municipal quota of Rs 5320/- In reply, the President reported on 8-11-42 that as a portion of the amount held in deposit had been utilised towards urgent road repairs and acquisition charges and as only a sum of Rs 125/- was at the credit of the Municipality in the Treasury, the quota of the Municipality could not be credited. The Municipal Council when they were apprised of these facts, resolved at their meeting held on 14-12-42 that Government may be requested to grant a loan of Rs 3,300/- repayable with interest in 10 years.

2. In this connection I wish to state that while sanctioning the first stage of the drainage scheme it was ordered that the entire closing balance of Rs 1258/- together with the amount held in deposit may be utilised towards the payment of the Municipal quota. If, as ordered by Government, the entire closing balance had been utilised towards the payment of Municipal quota there would have been no amount available to meet the monthly expenditure towards establishment charges, the monthly realisations being in sufficient to cover the required expenditure. Even the collection of the entire arrears of Rs 113/- would not have solved the problem. Besides, as indicated in the Government Order the Municipal Council having a normal income of Rs 3,360/- and an expenditure of Rs 2636/- would not be able to set apart Rs 1760/- out of its income to pay the balance of the quota towards the drainage scheme

3. The Municipal Council sought permission to pay Rs.2,000/- immediately and Rs 1,560/- by the end of the official year As indicated above, the Municipal council would not be able to pay the balance of Rs 1560/- at the end of the official year. Hence, the President was requested to furnish the views of the Municipal Council in the matter of taking a loan to pay the Municipal quota of the scheme. The Municipal Council have after reviewing their financial position resolved to take a loan of Rs 3,300/- to make up the amount required to meet their quota

4. As in their present financial position, the Municipal Council are not in a position to pay more than Rs 2,000/- towards the drainage scheme, I recommend that a loan of Rs 3,300/- repayable in ten annual instalments as resolved by the Municipal Council may be kindly be sanctioned. The increase in the income under Mohatarfa taxes due to revision of assessment will be earmarked towards the payment of loan instalments

Sir,

Subject Drainage scheme ~~of~~ for Belakavadi Minor Municipality

With reference to your letter No L ~~8182~~ 8117/M1 82-42-12 dated 16-2-43 calling for certain particulars regarding the grant of a loan to Belakavadi Municipality to supplement its quota for the above work, I have the honor to state that the Sanitary Engineer in Mysore, has intimated in his letter No 1489-90 dated 26-3-43 that Government have sanctioned in their order No.L 8607-4/M1 89-42-7 dated 26-2-43 that fresh tenders may be called for, for the drainage work of Belakavadi when cement becomes available.

Government while in their order No L 3282-5/M1 89-42-2 dated 24-9-1942 sanctioning the part estimate for Rs 10,640/- have granted a sum of Rs 5320/- out of the Town Improvement grant for the current year towards the Government share The amount has not yet been drawn by the President, Belakavadi Municipality If the work, as stated by the Sanitary Engineer cannot be taken up, the amount sanctioned for the current year lapses by the end of the official year I solicit kind instructions as to whether the President, Belakavadi may be directed tp draw and credit ~~kxx~~ the amount under 'Public Improvement Fund' so that the amount may be utilised when the work is taken up

In case the amount is not allowed to be drawn by the President, Belakavadi, I would suggest that the amount may kindly be sanctioned to Nagamangala Municipality and a fresh grant may kindly be sanctioned for Belakavadi Municipality out of the Town Improvement grant for the year 1943-44 In this connection I invite your kind reference to my letter No A5 1766/42-43 dated 12/16-3-43 wherein a recommendation for a grant of Rs 3650/- has been made for the works noted in the margin As with meagre resources the Nagamangala Municipal Council cannot afford to set apart funds for public purposes and as the above ~~kxx~~ two works are pending from 39-40, I recommend that sanction of Government may kindly be obtained to utilise the grant made for Belakavadi Municipality for the works referred to above As for the balance of the amount,

Formation of a road	Rs 3180/-

Sir,

Re Diversion of grant sanctioned for Belakavadi drainage scheme -

With reference to your letter No L 10976/41 82-42-14 dated 12-5-43 forwarding a copy of letter No AB 225/41-42 dated 3-4-43 from the Deputy Commissioner, Mandya District, regarding the above subject and requesting to furnish opinion if the grant sanctioned for the Belakavadi Drainage Scheme may not be diverted towards the formation of a road etc I have the honour to state that the Sanitary Engineer in his letter No 1634 dated 2-6-1943 (copy enclosed) reports that it is understood from the conversation he had with the Chief Engineer, that 100 tons of cement would be arranged to be supplied immediately but it would not be possible to proceed with the work this year alone as sufficient time is not available before the close of the year after disposing of the tenders which have been called for, it may be possible to take up the work next year

The President, Belakavadi Municipality may therefore be permitted to draw and credit the amount under Public Improvement Funds, so that it may be available during the next year
